

THUNDER ROAD VOL 11
The Central Florida Thunderbird Club Newsletter

The Last-Monday-of-the- Month meeting was held on July 31st at the Wildwood Community Center. Food (pizza, salads, desserts) was supplied by Flippers Pizza and everyone enjoyed it. There were 33 members present. Ralph reviewed the October Convention progress. There are 132 attendees and all functions are filling up. There is still a lot of work to be done so think of where you can volunteer to make this a memorable Convention.

You can order your Convention logo polo shirts, hats and visors from Custom Apparel. Orders can be placed online or at their store. Their order website is linked to ctci.org.

Things needed for the Convention:

On Monday, Tuesday and Wednesday we need 2-3 golf carts (Preferably 4-seaters) at the Hotel to shuttle visitors. We are renting a 15-passenger van to shuttle between the h\Hotel and Wildwood. We need 2-4 SUVs to lead trailered people to our Hotel back lot and the Wildwood Cntr.

We need coolers and ice and volunteers to pick up the ice. (Monday-1; Tues-3; Wed-4; and 4 coolers for the Welcome Party for the beer, wine, water & sodas. On Thursday we need coolers for water on the coaches provided by Workman. So we need lots of coolers for the week! Baked goodies for each day (Mon thru Fri) – coffee/pound cakes, cookies, brownies, bagels. Fruit would also be good. Lastly we need a small round table with cloth and 2 chairs.

Our members' outing for Sept will be to Sakura Restaurant. Ralph will have more information about this soon.

Hope to meet you all soon.

Only three members attended the **August Cruise-In at Spanish Springs**. Low turnout was due, primarily, to the heat index being over 100°.

Recently Bob and Eileen Disinger celebrated their 50th Wedding Anniversary. CONGRATULATIONS!

**See you all at the Monday Meeting on 8-28
at the Wildwood Community Center, 5pm**
