

Hello,

Our Club's biggest opportunity of the year is coming up on Nov. 20th. We will have 50-52 spaces at Lake Sumter Landing for the Car Show. As usual, we will gather @ 4:00 PM in the parking lot behind the Sonny's BBQ previous location. The show is scheduled for 5:00-8:00 PM. Remember to wear your Club shirt and name tags.

I am putting this list out now! Some of you have already signed up for this show. If you have not signed up yet we hope that you will sign up now to support the Club. **RSVP Ralph:** rotaryralph@hotmail.com. This notice is being sent out now to give everyone plenty of time to make sure your TBird is running and ready to be shown off. And, also, so you have the date blocked off in plenty of time to avoid conflicts.

As always at big shows like this, it is an excellent opportunity to recruit new members. We will have a booth with a pop-up tent to promote our Club. We need 2 spaces for the tent and will have a Club sign! There will be copies of our newsletter, copies of our website info and the list of TBird-related referrals to give out.

We will promote CTCI by handing out past issues of the Early Bird magazine - Randy has a collection in storage. There will be a signup sheet for people interested in our Club with their info for our follow-up.

I am working on a special arrangement to display the Birds and that will happen if we can get cooperation from Villages and line them up properly in the staging area. I.e. Sinatra – Twitty - and Travolta Birds together; Inca gold, Nieman Marcus and 05 anniversary with continental kit together; other year Birds together - i.e. 59-60 62 -66 79 etc.
